Status of contributions as at 30 September 1998

1. The present document is published in accordance with a decision taken by the General Assembly at its 2444th plenary meeting, on 17 December 1975, that the Secretary-General should provide Member States, on a biannual basis, with information, for each Member State, on the amounts assessed, paid and owed to the regular budget and on continuing operations for which there is a special assessment. This decision was taken, *inter alia*, in response to the Secretary-General's appeal to Member States to help to ease the cash-flow position of the United Nations by forwarding their contributions more promptly.

2. The status of contributions is issued at this time in view of the continuing financial difficulties of the United Nations and the desire of Member States to be kept informed of the financial situation. The following annexes are attached:
